### **Step One** - What is the renewal fee and when is it due?

The renewal fee is \$96. Check or money order must be payable to the Iowa Board of Speech Pathology & Audiology. Renew your license before the expiration date to avoid a late fee or lapse in licensure. The board office strongly suggests the application and fee be received in the office on or before December 1.

### **When is the late fee due?**

- A \$60 late fee plus the \$96 renewal fee are required on all applications received in the grace period. “***Grace period***” means the 30-day period following expiration of a license when the license is still considered to be active; January 1 through January 30.
- Allow 4-6 weeks to process the paper renewal. Once approved, a new wallet card will be mailed to you.

### **Inactive to Active License**

- A licensee who fails to renew the license by the end of the “***Grace period***” has an inactive license. A licensee whose license is inactive continues to hold the privilege of licensure in Iowa, but may not practice as an audiologist in Iowa until the license is reactivated.
- To change a license from inactive to active status, the licensee **must** submit proof of continuing education, complete the reactivation application, and pay the fee.
- Apply for reactivation online: <https://ibplicense.iowa.gov/mystatus>
